

PRIVACY INTERNATIONAL

London-based NGO researching government and corporate abuses of data and technology globally, advocating against and litigating abuses

Some highlights of our work at the intersection of Migration and Privacy

- The UK's Privatised Migration Surveillance Regime – A rough guide for civil society
- *Stop Spying on Asylum Seekers!* (campaign against the Aspen Card)
- Surveillance Disclosures Show Urgent Need for Reforms to EU Aid Programmes
- A privacy settings guide for migrants and asylum rights organisations
